CONFIDENTIALITY NOTE

This telecopy, including Cover Sheet and any accompanying documents (individually and collectively, "the Transmission"), comes from Bond, Schoeneck & King, a law firm with offices in New York, Florida and Kansas. The Transmission is intended solely for the recipient designated on this Cover Sheet. The Transmission may contain confidential and legally privileged communications made between attorney and client in the course of professional employment and for the purpose of legal advice or services.

If the reader of this message is not the designated recipient or the employee or agent responsible for forwarding the Transmission to the designated recipient, any reading, dissemination, distribution, or duplication of the Transmission is prohibited. In such case, the reader is directed to contact Bond, Schoeneck & King at the number below, as soon as possible and at our expense for further instructions regarding the Transmission. Thank you for your cooperation.

IF THERE IS A PROBLEM WITH THIS TRANSMISSION,
PLEASE NOTIFY THE SENDER IMMEDIATELY AT 607-330-4000. THANK YOU.

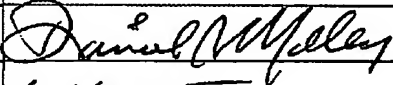

Our fax machines are capable of receiving your communications 24 hours a day, 7 days a week.

This collection of information is required by 37 CFR 1.5. The information is required to obtain or retain a benefit by the public which is to file (and by the USPTO to process) an application. Confidentiality is governed by 35 U.S.C. 122 and 37 CFR 1.14. This collection is estimated to take 12 minutes to complete, including gathering, preparing, and submitting the completed application form to the USPTO. Time will vary depending upon the individual case. Any comments on the amount of time you require to complete this form and/or suggestions for reducing this burden, should be sent to the Chief Information Officer, U.S. Patent and Trademark Office, U.S. Department of Commerce, P.O. Box 1450, Alexandria, VA 22313-1450. DO NOT SEND FEES OR COMPLETED FORMS TO THIS ADDRESS. SEND TO: Commissioner for Patents, P.O. Box 1458, Alexandria, VA 22313-1458.

If you need assistance in completing the form, call 1-800-PTO-6199 and select option 2.

RESPONSE

Commissioner for Patents
P.O Box 1450
Alexandria, VA 22313-1450**RESPONSE TO THE EXAMINER'S REQUEST FOR A SEPARATE CORRECTION
OF INVENTORSHIP**

Sir:

In response to the Examiner's request for a separate request for correction of inventorship, please find the document attached hereto.

1084808.1 6/16/2005

Request for Correction of Inventorship in Response to Claim of Priority from Co-pending U.S. Application Serial No. 09/827,007

This is a request to correct the inventorship under 37 C.F.R. §1.48(a). M.P.E.P. §201.03 states that correction of inventorship in an application is permitted by amendment under 35 U.S.C. §116 which is implemented by 37 C.F.R. §1.48. 37 C.F.R. §1.48(a) is directed at correcting the inventorship in an application where the inventorship was improperly set forth in the executed oath or declaration filed in the application. In this case, the original declaration claimed priority to U.S. Application Serial No. 09/827,007, now U.S. Patent No. 6,621,388 (Macbeth), under 35 U.S.C. §120. However, the inventorship was improperly set forth in the executed declaration filed in the application because the name of Bruce F. Macbeth was omitted from said executed declaration. Accordingly, please correct the inventorship of the present invention under 37 C.F.R. §1.48(a) to add Bruce F. Macbeth. The inventorship as properly set forth should include Thomas Packard, Dejan Radosavljevic, and Bruce F. Macbeth.

In addition to "a request to correct the inventorship that sets forth the desired inventorship change," an amendment of the inventorship under 37 C.F.R. §1.48(a) must satisfy four (4) additional requirements.

(1) 37 C.F.R. §1.48(a) requires *a statement from each person being added as an inventor and from each person being deleted as an inventor that the error in inventorship occurred without deceptive intention on his or her part*. A statement from the inventor being added, Bruce F. Macbeth, is attached hereto.

(2) 37 C.F.R. §1.48(a) requires *an oath or declaration by the actual inventor or inventors as required by § 1.63*. A declaration and assignment which properly sets forth the inventorship is also attached hereto as required by 37 C.F.R. § 1.63.

(3) 37 C.F.R. §1.48(a) requires *the written consent of the assignee under 37 C.F.R. §3.73(b) if an assignment has been executed by any of the original named inventors*. Since an assignment was executed by the original named inventors, agreeing to correction of inventorship in accordance with 37 C.F.R. §3.73(b) is also attached hereto.

(4) Finally, 37 C.F.R. §1.48(a) requires *the processing fee set forth in § 1.17(i)*. The processing fee as set forth in 37 C.F.R. § 1.17(i) is also attached hereto.

According to M.P.E.P §1002.02 (d), a request for correction of inventorship under 37 C.F.R. §1.48(a) is decided by a Supervisory Patent Examiner. Because all of the requirements under 37 C.F.R. §1.48(a) to correct the inventorship have been satisfied, the applicants respectfully request that the inventorship be changed.

Applicants also respectfully request that the claim of priority from co-pending U.S. Application Serial No. 09/827,007, filed April 5, 2001, be granted. The condition regarding common inventorship is satisfied under 35 U.S.C. §120 in light of the correction of inventorship.

Applicant hereby authorizes the Office to charge the necessary fee set forth in 37 C.F.R. § 1.17(i) to the deposit account of the undersigned firm of attorneys, Deposit Account 50-1546.

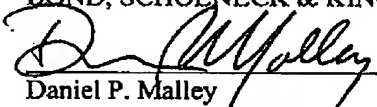

Please direct any questions or comments to Daniel P. Malley at (607) 330-4010.

Respectfully submitted,

BOND, SCHOENECK & KING, PLLC
